I'm not sure right now if I can be there. It is possible that I will be coming over to set up 2 new PCs - if so, I would be there in the morning on Wednesday.

Jim and Eric,

The folks installing the new data cables and rack for you hardware will be on site Wednesday. Can we meet with them to determine where you would like the wall rack for the computer hardware? Eric if you do not feel you need to make the trip that is fine. Please let me know.

Thanks,

Stephen

Where are we going to put the new 2' wall rack in this space.
All the data will need to go to this spot.
Thanks,
